Find the names of 5 books in the Bible hidden in this extract:-

“A chipper attitude will help you to compete really well. There will be some names that are really easy to spot. That’s a fact. Some people, however, will soon find themselves in a jam, especially since the books are not necessarily capitalized. Truthfully, even some ministers, found them difficult. Research has shown that something in our genes is responsible for the difficulty we have in seeing books in this extract.”
