

Carradale Community Trust (CCT) - Development Officer

As part of the Scottish Government's Strengthening Communities Programme, CCT aims to enlist a self-employed Development Officer to help us:

- Create yearly delivery plans that engage the wider East Kintyre community.
- Deliver upon those plans, through the creation of project plans and acquisition of appropriate funding.
- Encourage full community involvement in CCT activities, and wider engagement in its governance.

This flexible post is available for one year but with possible extension. It will be part-time (2 days per week), with the possibility of remote working, and compensation will reflect our intention to recruit an experienced and fully qualified individual or organisation.
