Roads

TC – there has been a complaint to IB re the bay road. The road is under the existing maintenance plan and will be addressed in the spring.

RS – Interested in getting red squirrel warning signs for relevant areas in the village. He will look into it.

Any Other Business

Alan Walker raised a request for traffic calming (possibly speed bumps) along shore road. Elanor Sloan noted this might also be useful near the shop. EKCC will raise a request for traffic calming measures with the council for both and see what comes back from that.

AB raised that the bridge at the bay needs repairs. AW – the bridge is under consideration as part of a wider plan re bay access following storm damage. Reluctant to spend significantly on it while considering all options. Will look into getting it made safe in the meantime as it appears this would be fairly straightforward.

EKWFT

AB chaired a meeting detailing outcomes for November 2025 applications to the trust. Refer to EKWFT minutes for details.

Next Meeting

Thursday 4th December 7pm Carradale Village Hall.
